RO- Membrane Replacement works

Achieving Excellence in Quality and Safety

HRSG _ Pressure Wave cleaning works

Achieving Excellence in Quality and Safety

IBN Badooda Electromechanical Workshop

- Ibn Badooda EMW offers first class services from our Master Craftsmen in Electro Mechanical Systems.
- Valvetech Testing and Services has Unmached Engineering Expertise to deliver Customised Repair Solutions. With a Focus on Responsiveness and Root Cause Failure Analysis, we minimize your down -time and ensure reliability
- The state-of-the-art Ibn Badooda Electromechanical Workshop aids our engineering department through effective repairs.

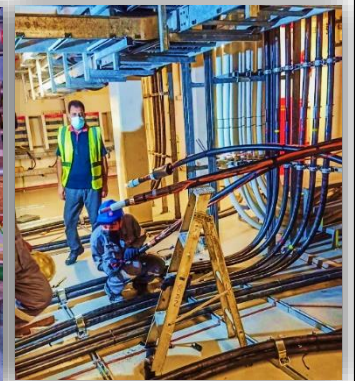

Global Powertech Testing and Contracting

GPTC is a premier company which is dedicated in connecting with All kind of Electrical works in power and all process plants.

GPTC is building a strong partnership with our customers by delivering effective solutions through our team of empowered and committed individuals.

Our Works Include:

- Cable Tray Fixing
- HT & LT Cable Laying
- Earthing Works
- Testing And Commissioning ,HV & LV Switch Gears and RMUs
- Sub-Station Earthing Oil Regeneration, Filtration Cable tray, cable ladder, lugs,enclosures,etc.

Chennai Power Plant and Desalination Training institute

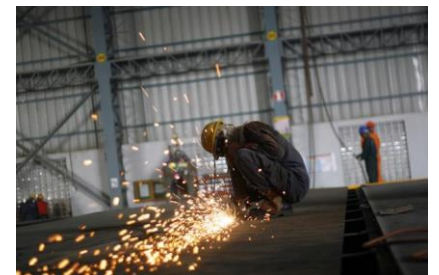

- CPDTI is a CEA (Central Electricity Authority) recognized Institute which imparts Operation, Maintenance, Planning, performance monitoring, Permit system, Health and safety training on THERMAL, Combined cycle ,Co-generation POWER plants to students.
- It imparts Training in various desalination Techniques like SWRO, Multi-effect desalination, Multistage Flashing
- Training is provided by highly experienced Power Plant Professionals using state of the art training tools and equipment
- CPDTI has trained several delegates for different countries in Power Plants.

POWERTECH INDUSTRIES

Powertech Industries is a first in class, state of art workshop which manufactures MHE as per client's requirements.

We supply various electromechanical products to various Industries around India with assured quality based on international Standards.

POWERTECH GROUP OF COMPANIES

POWERTECH INTERNATIONAL

- ✓ Powertech International celebrates 5 years of successfully providing professional & workforce recruitment solutions to 500 plus client organizations spread across various industries in GCC.
- ✓ We provide comprehensive & cost effective placements in business, industry & government sectors.
